

# SAINT PAUL SCHOOL

*Knowledge & Faith for Life*

Hingham, Massachusetts

February 10, 2017

Dear Saint Paul School Families,

Preschool, Prekindergarten and Kindergarten were treated to *Magician Steve Rudolph* on Wednesday and many prospective families joined us for this event. Thank you to PTO for organizing and providing this valuable experience for our youngest students.

This week Preschool and Prekindergarten received 3 new iPad Mini's for the classroom. The students have been using them to utilize the Mathshelf app. We will add additional age-appropriate app's as time goes on.

Our enrollment applications for PS - Grade 7 have already exceeded the total received from last year! Thank you to everyone that has referred a family to our school. There are only a few outstanding re-enrollment forms from current families. Unfortunately, the re-enrollment period has ended and we will no longer hold your students(s) seat. Today's screening has been rescheduled for next Wednesday and our first round of acceptance letters will be mailed out March 1.

The financial aid application is available [online via FACTS](#). Please visit our school website for more information. I have had many nice conversations with parents and encourage you to contact me to talk more about the application process.

Sincerely,  
**Ms. Lisa M. Fasano**  
Principal

## THIS WEEK AT SCHOOL:

### Thank you, Citizens Bank

Our Grade 6 students recently completed a Math lesson on finance and banking - including how to write checks, how to manage a check book, and the review of many banking processes. They completed their lesson with a tour of the bank.

### International Lunch

Mrs. Knobloch gifted us again with an incredible *Burrito Bar* for lunch to celebrate the middle school focus on Latin American culture. This new lunch format is a BIG hit with our students!
