Knowledge & Faith for Life

Hingham, Massachusetts

January 20, 2017

Dear Saint Paul School Families,

Thank you to everyone that completed the Summer Camp survey! It looks like it will be a go for Saint Paul School. Our goal is to have a flier home on/before February 1.

Our school has been accepted into the Math Shelf initiative via the Catholic Schools Office! Preschool, PreK and Kinder will be piloting this online math program beginning next week. More information to come shortly.

Reenrollment Agreements are due next Friday. Thank you to all that have re-enrolled! Parents that indicated their child was not returning are urged to speak with me. Also, to gather what Saint Paul School can do better, Exit Interview forms will be sent home shortly. Please take a moment to complete and return.

Catholic Schools Week will be here before we know it. It begins on Sunday, January 29 with Liturgy and Open House. We have many activities planned for students, teachers and parents. Attached to this newsletter is the **Saint Paul School calendar of events** for the week. Please join us as we celebrate Catholic Schools: Communities of Faith, Knowledge and Service. There will not be NWEA testing during this week.

Sincerely,
Ms. Lisa M. Fasano
Principal
