

Saint Paul School, Hingham

Supply List for Students Entering Grade Three

(2017-2018)

We will be working hard in grade 3. I recommend that erasers, pencil sharpeners, and other tools for school be kept to the basics. Please save the fun/toy-like items for your home work space! Please feel free to contact me if you have any questions or concerns. Enjoy the summer and be sure to practice those addition and subtraction facts and read, read, read! Read to yourself, read to a grown-up, read to a friend, read to a pet, read to a baby, make a video of you reading...you get the idea ;)

- #2 pencils (lots)
- erasers (Dixon pink carnation wedge erasers work great!)
- wooden ruler (please no plastic or metal)
- crayons (one small box)
- scissors (1 pair)
- 2 pocket folders (1 solid blue and one other of your choice)
- 1 composition book
- 1 – three subject notebook

** Please note that **permanent markers** and **metal rulers** are not allowed in class.

- Mrs. Melcher, Grade 3
