

VOLUNTEER REQUIREMENTS

All staff and volunteers at Saint Paul School are required to complete the compulsory screening and training programs established by the Archdiocese of Boston to ensure the protection of all our children. To assist with planning for the special volunteer opportunities available to our families (ie: lunch duty volunteers, room parents, field trip chaperones, read to your child's class), ALL Saint Paul School parents, guardians, and/or caregivers are required to complete the following before providing service to our students:

- CORI Form** ~ must be completed each academic year in person and with proof of identity (ie: drivers license or passport).
- Code of Ministerial Conduct Form** ~ acknowledgement of understanding the behavioral rules and guidelines for those providing service to children requires completion once. These guidelines are available in the Main Office for review. Witness of signature necessary. Completed forms are to be submitted to the SPS Main Office.
- VIRTUS ("Protecting God's Children) Training** ~ one-time completion (certification issued), only. Proof of certification required annually.
