

Announcing CIRCLE-T!

This exciting, unique program on the South Shore supports children whose siblings have a significant special need. Last year's CIRCLE-T was a huge success for sibs and their parents! **And it's FREE!**

WHO: Children, six to fourteen years, come with their parent, enjoy a pizza supper, and maybe, for the first time, join other 'typical sibs' who face similar joys and challenges of living with a sibling with special needs.

WHEN: (meets every other week for 8 weeks, October-Jan)

WHERE: House of Prayer, Hingham (Rte 228)

HOW: It's easy to refer a child and his/her parent to CIRCLE-T. Please share this flier with your parents; they can simply send an email to:

info@joannasplace.org

or for more details or questions, feel free to call me at 617.921.4008.

"My 9 year old daughter had never shared her feelings about her older brother with autism. She started this conversation the first evening on the drive home...." Parent from last session

Space is limited so please, forward this to your families today! You will have helped a child develop and master coping skills that will serve him/her for a lifetime! Thank you!
