

Saint Paul School
Summer Reading Program
Students Entering Prekindergarten
2018

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss

Dear Pre-Kindergarten Parents,

Reading is an essential part of our curriculum at Saint Paul School. Our goal is that all students will develop a real appreciation of quality literature within the content areas. Summer reading can be a great opportunity for parents to spend quality time reading to their young children. Attached is a suggested summer reading list for students entering Pre-Kindergarten in September. This is just a guide!

Sincerely,

Mrs. O’Loughlin
