

Saint Paul School, Hingham

Supply List for Students Entering Grade Two

(2018-2019)

Dear Parents,

Welcome to second grade at St. Paul School! Please provide the following supplies for your child to use during the school year. I recommend that erasers, markers, and other tools for school be kept to the basics. Please save the fun/toy-like items for your home work space! Feel free to contact me if you have any questions or concerns. Each child should bring the supplies on the first day of school. I can't wait to begin our year together!

**Grade 2 Supply List**
