

Saint Paul School, Hingham

Supply List for Students Entering Preschool

(2017-2018)

Helpful “supplies” and “notes” for Preschool students:

- A backpack or messenger bag, large enough to fit folder, etc.
- Lunch box* **
- Refillable water bottle.
- A sturdy folder for papers to go back and forth.
- A composition notebook for daily correspondence between school and home, optional.
- Child’s change of clothes (just in case to have on hand, pants, undies, sox, shirt) labeled in clear plastic bag with full name.
- Full day students, if desired, a blanket or towel to use during rest time (will send home periodically for cleaning and return) optional. No fitted crib sheets please, they do not work well. We have mats.

**The school lunch program is available for purchase for your child. Please see school notices in August for details.*

***Snack for September - pack your child a small snack (until/unless room parents organize monthly snacks)*

Daily snack, (dry, easy food: i.e. crackers, etc. to facilitate faster and neater in class eating) water only (no juice, no yogurt drinks for snack please). **PEANUT FREE CLASSROOM & SCHOOL**

***Room parents organize the classroom snacks by developing volunteers to procure the month’s worth of snacks to share in the classroom. This typically is pretzels, veggie sticks, crackers like goldfish, cheese-its, etc. Teddy Grahams, Vanilla Wafers, etc. Whole class snacks helps keep everything neat, streamlined, and the same for all, while freeing up parents from daily sending in a snack. It works well.*
